

Twelve Important Facts About Our Practice!

- 1. Dr. Mina Narula!** Along with her double post graduate degrees in orthodontics, she is a member of the most prestigious orthodontic societies and she is an Associate Professor at Loma Linda University Orthodontic Department. Most impressive is the fact that she is the choice orthodontist of many local dental professionals for treating their families and their staff!
- 2. Complimentary Evaluations:** Your initial consultation including photos and x-rays are free.
- 3. Financing is Easy:** We offer flexible financing options and we handle all your insurance paperwork.
- 4. We Stay on Schedule!** Ask any of our patients and they will say that we never keep them waiting.
- 5. We Treat Ages 5 to 105:** Thanks to our excellent care and results, we are working with second generation family members now and look forward to seeing our patients' grandchildren in the future!
- 6. Office Ambience:** Our Wi-Fi capable Narula Café offers a variety of coffees and cold drinks as well as fresh baked cookies. Patients can enjoy wii sports in our game room, a 72" plasma tv in our clinic and a VIP room for privacy. Also, we have unique patient contests with exciting prizes and a staff that can make you smile without braces!
- 7. Most Technologically Advanced Practice in the Area:** We offer lower dose radiation digital X-rays, digital photography, virtual treatment outcomes, computer aided placement of braces and wires invented by NASA that shorten treatment time. Additionally, our exciting 3D Max scanning is the first of its kind in our area. We provide all of this to improve our patients' experience and shorten treatment time!
- 8. We Have Many Treatment Options:** Whether it is our self-ligating Damon brackets; our clear, gold, silver, or jewelry like white-gold brackets; or our non-bracket Invisalign option, we have something for every patient age. And our sterilization process is second to none!
- 9. Growth Modification Philosophy:** Dr. Narula avoids extractions by starting to monitor growth patterns as early as 5 years which helps create her trademark fuller, beautiful smiles.
- 10. We Have a Unique Patient Manager System:** From the time your braces are placed we make every effort for you to be attended by the same professional clinical assistant while Dr. Narula makes your adjustments. The benefits to this are many, but most importantly the personal and caring relationship it builds with our patients.
- 11. Enhanced Communication:** Our online patient capabilities allow you to check appointments, review or make payments and view all your photos & x-rays. And remembering your appointments is easy with our e-mail, voicemail and text message reminder options.
- 12. Narula Bucks:** Your excellent oral hygiene, good grades and community service are just a few of the ways to earn Narula Bucks that can be cashed in for great gift cards to Tiffany's, Macy's Target, Starbucks, etc. We also show our sincere appreciation for patient referrals through our Narula Bucks program.

Changing Faces and Futures
